

7 September 2021

Moving to Alert Level 2

School will open for all students on Thursday 9 September. Please read the following information carefully.

Staff have followed advice from the Ministry of Education and the Ministry of Health to ensure school is safe for all students and staff.

Parents and visitors on site

Parents are asked to stay off the school premises where possible.

Children may be dropped at the gate. Children can be met at the gate after school.

If you do need to come on site, please sign in at the Office, wear a mask, and use hand sanitizer.

Students who are unwell

If your child is sick, or has cold and flu symptoms, please keep them at home. Students who are unwell will be sent home.

Devices

Please ensure all school devices and chargers are brought back to school on Thursday.

Masks

Masks are recommended but not mandatory for staff and students 12 and older at school. It is a personal choice. Parents coming on site must wear a mask.

Assembly

There will be no school assemblies while we remain in level 2.

Drink bottles

Water fountains have been turned off at Level 2. Students will need to bring their own named water bottles.

Thank you for your help in keeping everyone safe,
Vicki Neave
